BIG BAND GALA FOR BABIES

NOVEMBER 08

TABLE HOST SPONSORSHIP

WHAT IS A TABLE HOST?

Table hosts are vital to our event's success. Volunteer hosts help with ticket sales by extending an invitation to co-workers, friends, and family members. Each table seats up to eight people, which would include your seat. Each guest will not only be given an opportunity to make a tax-deductible donation, but they will learn more about our mission and the impact that we are making in our community.

HOW TO HOST A TABLE

You can host a table in 1 of 2 ways:
1) You can choose to pre-purchase all 8 tickets for your table at the price of $360. You can then either invite others to join you at no cost to them or have them purchase their ticket from you.
2) You can commit to being a table host and share your commitment with family and friends asking them to help you fill your table by purchasing a ticket directly from WRC.

Then, you simply keep a list of your guests' names and emails and phone numbers. That list can either be emailed or delivered in person at WRC by Nov 5th.

WHY HOST A TABLE?

The mission of WRC is to uphold the sanctity of life while encouraging the physical, emotional, educational, and spiritual well-being of the whole person. Through collaborating with organizations that share similar values, we work to promote personal health, strong family units, and thriving communities.

By hosting a table, you are helping us to further that mission. We understand that not everyone can be continuous givers of their time or money, so this is a great opportunity to be able to offer a single night of support.

HOW TO INVITE GUESTS

We will gladly provide you with a paper invitaion that can be mailed out or hand delivered. Also, consider inviting guests via social media by "sharing" our FB event with them.
